"Providing Innovative In Situ Soil and Groundwater Treatment"

INITIAL ANNOUNCEMENT and CALL FOR ABSTRACTS SECOND BIENNIAL SOUTHEASTERN *IN SITU* SOIL AND GROUNDWATER REMEDIATION CONFERENCE 2010

Based upon the overwhelmingly positive response from the previous conference, Redox Tech and the Groundwater Professionals of North Carolina are again organizing the Biennial Southeastern *In Situ* Soil and Groundwater Remediation Conference. The conference will be held on February 23rd and 24th 2010 in Raleigh, North Carolina. This time the conference will be held at the Renaissance Marriott at North Hills. This is bigger and new venue that wasn't even available for the previous conference. The conference will provide a forum for providing the state of the art for a wide range of in situ remediation technologies. On the first day of the conference, recognized speakers from around the country will present on their area of expertise. On the second day, case studies will be provided by consultants and vendors on the application of emerging technologies, with lessons learned. The Conference should provide a valuable opportunity for groundwater professionals to keep abreast of recent develops in remediation technologies, while potentially earning continuing education credits.

equipment rental. Participation is limited to the first 300 registrants. Registration is fully refundable up to one week prior to registration, less an administrative fee of \$25. If you cannot attend, your registration may be transferred to another participant. Single day registrations are not available.

The conference is being held at the Marriott Renaissance Raleigh Hotel in North Carolina ([Renaissance Raleigh Hotel](#)). The hotel is a reasonable drive from the Raleigh Durham Airport (RDU). The hotel does not offer free shuttle service, but it does have free parking. A block of rooms has been reserved at a discounted pre-registration rate of \$149 per night. Merely use the link above and check availability, and the discounted rate will appear. The block of rooms is being held until February 2nd, 2010. There are other hotels located in the area, but if you will need a room, reserve one early because hotels in the area have limited availability.

ABSTRACT SUBMISSION

There are limited spots available for presentations by vendors and consultants. Abstracts for presentations must be submitted by December 1st, 2009. All abstracts must be submitted in electronic format to abstract@redox-tech.com. Notification of acceptance of abstracts will be made by December 15th, 2009. Presentations materials for selected abstracts must be provided by February 8th in order to be included in the final program.

SPONSORSHIP AND DISPLAY BOOTHS

Display booth areas are available on a first-come basis for \$750. Display booth areas with an electrical receptacle cost an additional \$50, and are available on a limited basis. The cost includes two registrations with full access privileges. There is room for approximately 30 booths, and at this time the exact layout has not been determined. We are also currently seeking sponsors for the social hour on Tuesday, February 23rd and breakfast on each of the morning. Sponsorship cost is \$250 and includes prominent display of your company name and logo in the vicinity of the event. The sponsorships are also available on a first-come basis. Also, there will be an end-of-day raffle, and we are seeking gifts to raffle from vendors and consultants.
